

Game Play: November 1, 2024 - January 31, 2025

PUBLIC PARTICIPATION OPPORTUNITIES IN SEASON 1

- **FOLLOW** the players and their collections in real time on social media.
- **COMMENT** on the works of art and the emerging collections as soon as players post their choices.
- **TAG** the artists. People watching the game on social media will be encouraged to seek out and then tag artists represented in the collections.
- **VISIT** local venues to see what the artwork looks like IRL.
- **FIND** new artists and new venues to see art in our area.
- **CONSIDER** if each collection has a theme. Are there elements that tie each collection together?
- **TRY** to identify which players are associated with which collections. The players names will be public but they will not be associated with their collection during game play. See if you can figure out who's collecting what before the big REVEAL event. Find out at the REVEAL in February.
- **JOIN** our one hour interactive ZOOM podcasts covering Red Dot Challenge, Season 1 on Tuesday, November 12th at 7p, Tuesday, December 10th at 7p and Tuesday, January 14th @7p.
- **ATTEND** the REVEAL event in early February. *Details about this event will be announced soon.*
 - **HEAR** the players talk about their collections and their experiences playing the game.
 - **LEARN** how people from all over the community responded to the collections.
 - **SEE** which players are associated with collections.
 - **PLAY** a "Lightning Round" of Red Dot Challenge!
